

HISTORY IS ALIVE AT THE ROYAL

THE ROYAL OTTAWA GOLF CLUB

OTTAWA'S PREMIER GOLF CLUB SINCE 1891

AN HISTORIC INSTITUTION, A WELCOMING CLUB

The Royal Ottawa Golf Club balances respect for the tradition of the past with the best modern approaches to the game of golf.

The Royal is proud of its heritage as one of the oldest and most prestigious golf clubs of its kind in Canada. Founded in 1891, the Club received Royal designation in 1912 by permission of His Majesty King George V, one of a select few clubs in the world to carry such a distinguished title.

The Royal is recognized as The National Capital Region's premier golf club. While maintaining its private club stature in the region, The Royal is also renowned for being a welcoming Club to all who have the privilege of membership.

Golf Course Master Plan

In 2017, the Golf Course Master Plan, completed by Golf Course Architect Neil Haworth, offers a vision of our Golf Courses and Practice Facilities over the next 5-10 years. The Master Plan respects the history and tradition of our Golf Club and is designed to preserve walkability as well as enhance playability for all skill levels. It is important to note that these projects will be undertaken with minimal disruption to golfers during the main golf season.

Steeped in history, The Royal is a place where golf's best traditions endure, while planning for the future.

THE ROYAL OTTAWA GOLF CLUB

THE PRIVILEGES OF MEMBERSHIP

Worldclass golf is only part of our story.

Members of The Royal enjoy full access to 27 magnificent holes and practice facilities, coaching from our team of certified golf professionals and a series of club tournaments in which skills are tested and proven, and friendships are forged and strengthened.

Year-round, The Royal provides active and exciting programming where members, their families and their guests gather in a relaxed – and occasionally formal – setting to share the pleasures of the Club.

As one of a select few to carry the Royal designation, our Club maintains a reciprocal membership program with more than 60 private clubs across the globe, affording our members access to some of the most exclusive courses in the world.

At home or abroad, the members of our Royal family always enjoy very special privileges.

Private yet accessible

The Royal Ottawa Golf Club is a private Club but altogether accessible, offering a range of membership packages for both the avid golfer, the new golfer, juniors, seniors and busy professionals.

A membership at The Royal is more than an opportunity to play golf. It is an invitation to join a remarkable family, make new friends, and experience the camaraderie that can only be enjoyed at a private club.

THE ROYAL OTTAWA GOLF CLUB

AN EXPERIENCE LIKE NO OTHER

Driving past the gates of The Royal you'll immediately notice the calming ambiance. Just minutes from the City, The Royal is an elegant retreat with two stunning golf courses and a Clubhouse that has no equal in the region.

Main Course

Our Championship Main Course, designed by world renowned golf-course architect Tom Bendelow, skillfully blends the best artificial features with the spectacular natural landscape surrounding the course set into the tranquil Gatineau Hills. Golfers continue to appreciate the tradition of The Royal, and the splendor and challenge of a round of golf.

The Royal Nine

Although the Championship Main Course is our Club's signature attraction, our Royal Nine Course is a perfect starting place for a novice golfer or the ideal venue for a quick round. Families enjoy the Royal Nine to full advantage and busy professionals enjoy a short round to unwind from everyday stresses. Experienced golfers appreciate the opportunity to hone their skills on the Royal Nine as well.

Members can enjoy the amenities of The Royal whether they are relaxing with a light cocktail by the fireplace in one of the comfortable lounges or looking out at the meticulously manicured Main Course from the expansive verandah, known to those who have had the opportunity to dine there, as the best view in the region.

The Royal is a family-friendly Club with designated dining areas for our members to enjoy a relaxing dinner with their children. Children can enjoy 'kid-friendly' healthy menu options for lunch and dinner.

In the National Capital Region, few golf courses are as demanding or impressive as The Royal's championship 18 holes. Set on more than 330 acres of pristine grounds the Main Course features natural hazards, fast greens and rolling hills.

WE PROMISE EXCELLENCE

As they prepare our Members for play, our Golf Professional staff overlook nothing. Bags are pulled and checked, shoes are shined and best wishes are extended for successful rounds.

After play, Members and their guests are treated to exquisite bar and dining services as they relax in The Royal's intimate lounges or on the spectacular verandah overlooking the rolling fairways. As the evening approaches a cozy fireplace is lit on the Patio and Members can continue to enjoy the evening amenities which from time to time include live music and dancing under the stars.

The Royal's promise of excellence extends throughout our magnificent Tudor-style Clubhouse. This grand building marries old-world charm with modern amenities that golfers naturally expect from the best private clubs, including a well-equipped Pro Shop, secure well-appointed locker rooms and ample facilities for hosting receptions, business meetings and social gatherings.

Whether you are enjoying business or play, The Royal and its staff are standing by, ready to make every Member experience unforgettable.

The fine line that separates excellent service from great service is distinguished on the small details. At the Royal, every aspect of the golf experience has been considered. Every member of our courteous staff has been trained to execute even the most precise task superbly, and our charming and well-appointed facilities are second to none.
